World Olympian Association OLY Process:

1. MNAs contact their Sailing Olympians to make them aware of the opportunity
2. Sailors who have competed in an Olympic Games submit their details on a simple form on **[www.Olympians.org](http://www.Olympians.org)**
3. Eligibility is checked against the International Olympic Committee's Games Competition results database
4. Upon verification an electronic certificate is sent to the sailor
5. An MNA who decides to hold a presentation to recognise this honour, tells World Sailing and provides us with the names of sailors
6. World Sailing check the list of sailors with the WOA and receive hard copy certificates and pins and other supporting material as required by the MNA (slides, speech notes)
7. World Sailing send material to the MNA
8. Presentation takes place, and sailors are presented with OLY pins and certificates by their MNA

Please contact Rowena Farrugia ([Rowena.Farrugia@sailing.org](mailto:Rowena.Farrugia@sailing.org)) at the World Sailing Executive office if you would like to take up this opportunity. It can take several weeks to organise a presentation, so early notice is appreciated. We hope to hear from you!
